

# Koyo 长寿命 KE 轴承

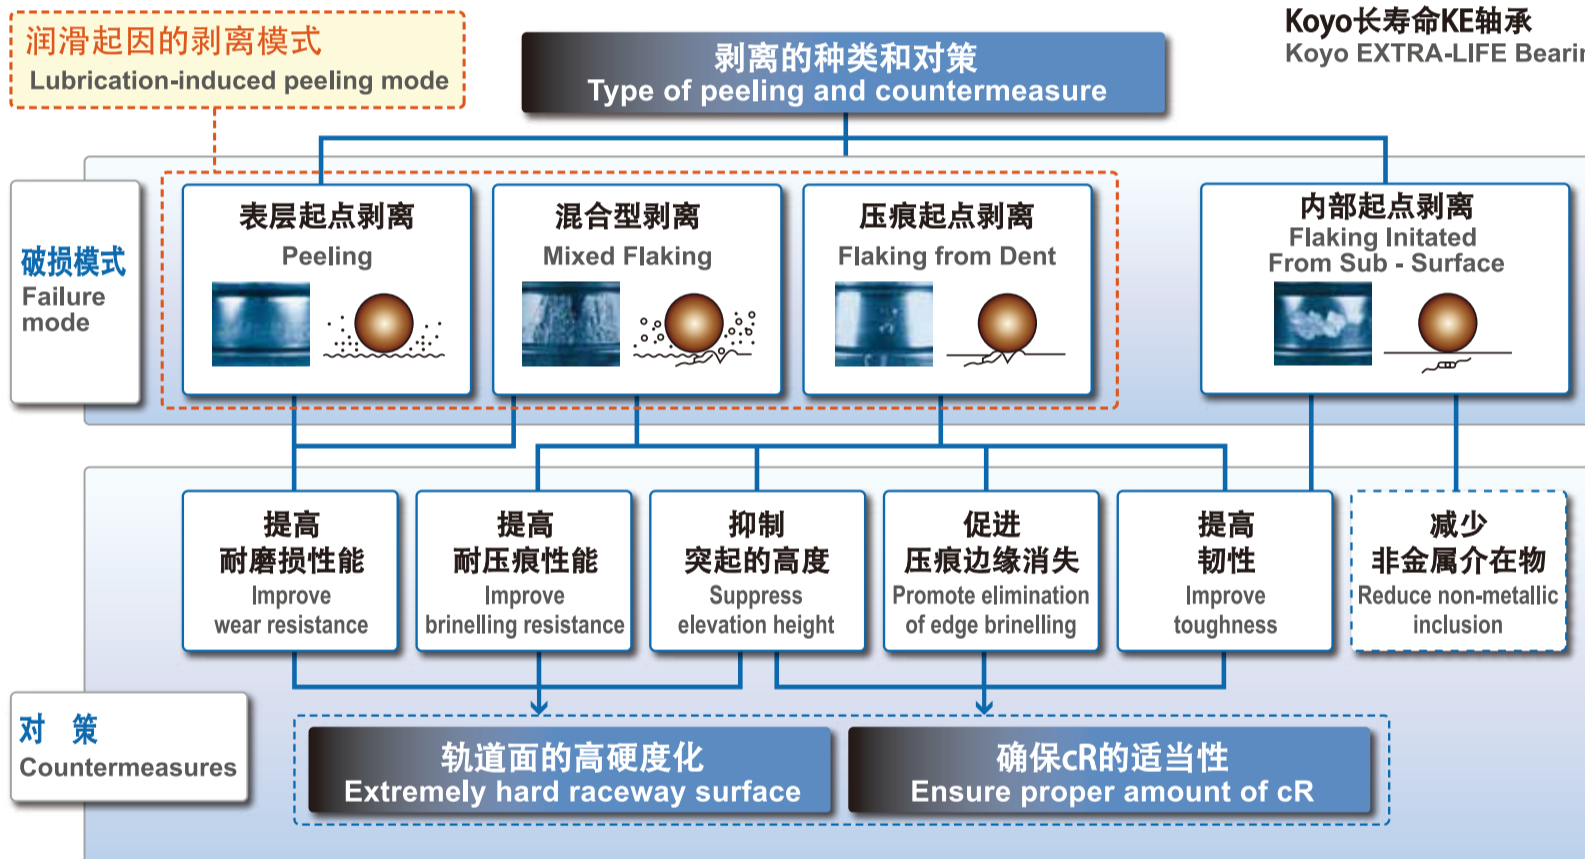

## Koyo EXTRA-LIFE Bearings (KE)

### 概要 Outline View

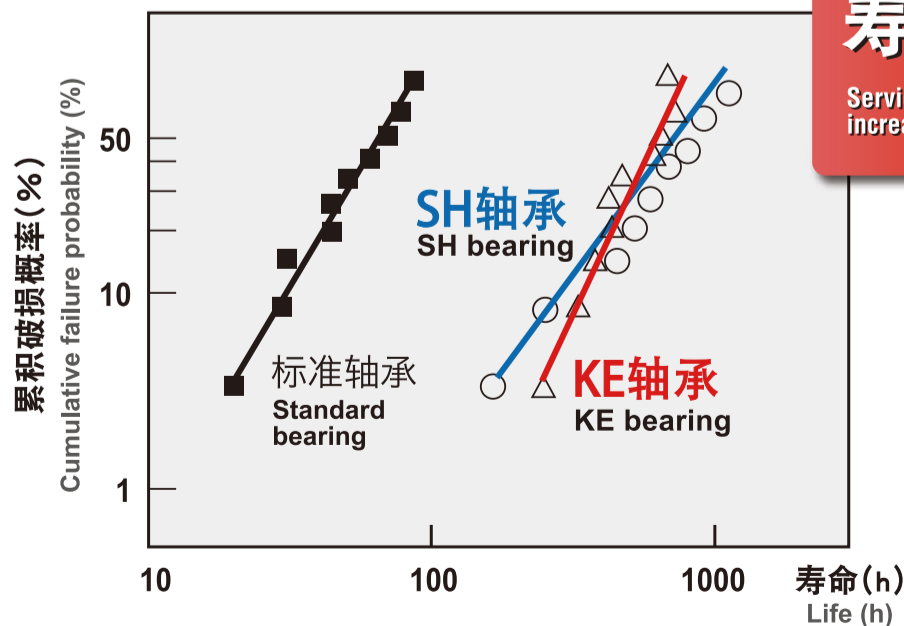

- 适用于渗碳钢  
Apply to case-hardened steel
- 利用特殊热处理, 轨道面的高硬度化和残留奥氏体量的最优化达到长寿命化。特别是有优异的耐异物性能。  
Special heat treatment realizes extremely hard raceway surface and optimization of residual austenite achieves long life. Especially, superior performance in contaminated oil.
